

Directions to Four Ponds Financial Planning

Four Ponds Financial Planning is located in downtown Falmouth at 101 Town Hall Square about 20 minutes from the Bourne Bridge.

From the north:

From the Bourne Bridge Rotary, follow Route 28 south for 4 miles to the Otis Rotary. Take the second turn off the Otis Rotary, continuing south on Route 28 toward Falmouth.

In Falmouth, Route 28 will narrow down to a two-lane roadway. After the first set of lights and then the Steamship Authority ferry parking lot on the right, follow Route 28 as it turns left toward downtown Falmouth.

Go past the Falmouth village green onto Main Street. Shortly after passing the Falmouth Post Office on the left, turn right into Town Hall Square.

From the west:

Follow Route 28 into downtown Falmouth. After passing Falmouth Public Library on the right, look for Walker Street on the left and then Town Hall Square just past the Eight Cousins Bookstore. Turn left into Town Hall Square.

Parking:

Once in Town Hall Square, park anywhere in the public lot in front of Falmouth Town Hall.

The office is located in a small law office building with wooden shingles. It is located directly across from Leary Family Amusement Center. If looking at Falmouth Town Hall, 101 Town Hall Square is on the left. Enter the door on the left that says "101" on it. The office is at the top of the stairs on the right.
